Polished Elegance

The Winnebago Diversion offers a polished elegance guaranteed to turn heads. Sink into the gorgeous cream ultra leather seats, at a touch of a button the rear lounge converts to a stylish day bed, where you can relax back and watch TV or a DVD and sip a drink from the conveniently located stylish cocktail bar. Share a meal inside from the well equipped kitchen with microwave oven, 3 burner cook top, stainless steel sink and refrigerator or unwind outside under the shade of your wind out awning.

Thanks to the unique electric drop down bed system the Diversion boasts a sleeping capacity for four adults comfortably – not many campervans can boast this. Wash away the days adventures in the exclusive Winnebago spacious two piece swing out bathroom system, with full height shower, hot and cold running water, vanity and toilet.

Available in elegant silver metallic full body paint with contrasting decals and dark tinted automotive glass windows externally, whilst inside, the coordinated two-tone light timber matches perfectly with the cream ultra leather upholstery, compact enough so you can park the Diversion in most family carports.

Features

- Four forward facing seat belt positions are provided as standard
- Two large living areas are provided including two front swivel reclining chairs
- Electric folding rear lounge has three handy positions, a comfortable lounge, a day bed at a push of the button or fully reclined as a spacious double bed
- Able to sleep 4 people at ease, electric roll down double bed drops from the ceiling and underneath the lounge converts to a double bed
- Oversized bathroom including vanity and flushing toilet
- Watch TV or a DVD at ease with two positioning brackets
- Store your glasses and pour yourself a drink from the handy cocktail unit located near the lounge
- Built to Winnebago's stringent quality control processes at our state of the art factory
- Fully insulated walls and ceiling for greater comfort and reduced noise.
